

Conical Erlenmeyer flasks (conical flasks) in PYREX glass with screw cap SVL 1000 ml

Conical Erlenmeyer flasks made of borosilicate glass 3.3 PYREX (DIN-ISO 3585)
SVL phenolic screw cap with gasket riv. Autoclavable PTFE,
writing area

Excellent chemical resistance
minimal thermal expansion
high resistance to thermal shocks

They are not measuring instruments . The graduation is approximate.
