

PT 100 per air probe

PT 100 probe for air, robust and reliable.

Measurement range: from -50 ° C to + 400 ° C

Technical data

Measuring range	-50 to +400 ° C
Precision	Class A (-50 to +300 ° C) Class B (Remaining Range) ¹⁾
Response time	70 s
Fixed cable	yes
Cable length	1.2 m
Probe tube tip diameter	4 mm
Probe tube diameter	5 mm
Probe tube tip length	50 mm
Probe tube length	114 mm

Code	Description
T8691773	PT 100 per air probe
