

Dubnoff water bath with horizontal shaking mod. GS 25

The Dubnoff baths mod. GS are the result of years of specific experience in the laboratory and thermostating sector.

These shaking water baths are ideal for a variety of Coagulation, Cytology, Enzymes, Environmental, Genetic, Hormonal, Immunology, Dialysis, Incubation, Molecular Biology, Serology, Blood Thawing, Virology, Cultures, Water Analysis, Metallurgy and of Copper Erosion.

The Dubnoff shaking bath mod. GS is appreciated by Research, Pharmaceutical, Biotechnological, Chemical, Environmental laboratories, and by Industry in general.

- New professional laboratory design
- Digital PID microprocessor control, accurate and sensitive
- Temperature range from ambient temperature + 5.0 ° C up to + 99.0 ° C
- Integrated 99h 59m timer
- Independent safety thermostat.
- Platinum PT100 Class A temperature probe
- Removable basket without the use of tools, easy to clean.
- Drain cock

Features

- Solvent-free powder-coated external structure
- AISI 304 stainless steel tank easy to clean
- Low inertia resistors for long life
- Efficient insulation
- Drain cock

Thermoregulation features

- Digital PID Microprocessor Control
- Resolution ± 0.2 ° C
- Double display that simultaneously displays the set temperature and the internal temperature

- Platinum PT100 Class A probe

Standard equipment:

Drip-proof stainless steel lid
Power cord
Instruction manual
CE certificate of conformity
Warranty certificate

Accessories:

- Flat lid with handle
- Test tube holder 18x180
- Universal spring support 7+7 (Cod. G3SH2584)
- Flowmeter for inert gas
- Special supports on request

Made in Italy

Technical data

Template	GS 25
Code	G3SH2501
Volume liters	25
Basket internal dimensions	380x265x140
LxWxH mm	
Check	Digital PID microprocessor
Temperature range	from ambient temperature + 5.0 ° C up to + 99.0 ° C
Uniformity ° C	± 0.2
Accuracy ° C	± 0.2
Timer	99h 59m
Rpm oscillations	20 - 300
Timer h	2
Power supply ± 10%	230V - 50 Hz
Max absorbed power W	1050
External dimensions	750x400x290
LxWxH mm	
Net weight Kg	35
Packaging dimensions	850x500x390
LxWxH mm	
Gross weight Kg.	40

External dimensions of the product

Height	290 mm
Width	750 mm
Depth	400 mm
Weight	35 Kg

Code	Description
G3SH2501	Dubnoff water bath with horizontal shaking mod. GS 25
