HDPE bottles with drain cock

narrow mouth

Particularly robust bottles for prolonged use; they can also be used at temperatures below 0 ° C

They are supplied complete with a 3/4 ”BSPT drain cock, which is coupled with a deep thread to ensure a better seal. One type of tap for any capacity.

It is recommended to lubricate the tap thread with a few drops of petroleum jelly, to facilitate screwing and sealing.

Available, on request, the spare tap cod. 03100375

SUITABLE FOR FOOD CONTACT.
