## Graduated bottles in PP with normalized wide neck cap. 500 ml

## with cap

Graduated bottles in PP polypropylene, robust and long lasting.

Supplied with cap with integral sealing.

Particular care has been taken in the realization of the graduation of each bottle, to allow a precise and clear reading of its content.

Easy to fill and empty with both liquid and solid samples.

Neck and thread according to DIN 13316 and 168 Standards.

Autoclavable only with the cap removed from the bottle, in order to avoid deformations.

SUITABLE FOR FOOD CONTACT according to the regulation: EC Directive 10/2011
